Your 24/7 Bible Connection

God's Word tells us to:

"Be diligent to present yourself approved to God as a workman who does not need to be ashamed, handling accurately the word of truth." (2 Timothy 2:15) NASV

Wayne Taylor,
General Manager

When Paul wrote those words to Timothy, his son in the faith, Paul was in a Roman prison. This letter was perhaps the last serious heartfelt communication Paul ever had with Timothy. According to tradition, soon afterward Paul was be-headed on the Ostian Way just west of Rome.

Being equipped to accurately handle God's Word comes from good solid Bible teaching and personal study. To connect correctly with accurate Bible teaching comes from a studious pastor ministering in a believer's local church. It also comes from a Christian spending time in the Scriptures and asking the Holy Spirit to guide and reveal truth.

A third way, is Christian media. Ministries that believe in the inerrancy of the original manuscripts, and the accuracy and authority of modern translations. The Mars Hill Network has a rich history of delivering accurate Bible teaching through programs and speakers that are tried and proven.

Generally, we can't be in our Pastor's study or under his immediate teaching every day, but we can cultivate positive personal Bible study habits, and we can seek out credible Christian media for training in righteousness.

"The Mars Hill Network has a rich history of delivering accurate Bible teaching through programs and speakers that are tried and proven."

"All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the servant of God may be thoroughly equipped for every good Work." (2 Timothy 3:16) NASV

The Mars Hill Network is your 24/7 Bible connection. We're glad you joined the group!

Discovering... Your Secure Bible Connection!

"When I discovered your words, I devoured them. They are my joy and my heart's delight, for I bear your name, O LORD God of Heaven's Armies." Jeremiah 15:16 NLT

We all love to discover good things. A family picture forgotten about, crayon drawings of the family, (including Fido), and how about a baptism certificate with Mom or Dad's name on it? Special discoveries can bring joy to the heart.

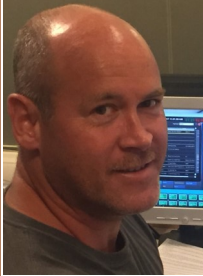

The "weeping prophet" Jeremiah needed encouragement. He needed to be reminded about who he served and the reassurance of God's direction in his life. He needed to remember who it was that called him and set him apart as God's spokesperson. Jeremiah discovered God's words...and he *devoured*.

God's Word is powerful fuel for those of us who belong to Him. The Scriptures instruct us on how we're to live. Knowing God's Word means growing. It means showing forth a life that pleases God. By it we are well equipped in our personal spiritual journeys and to show the love of Jesus to a needy world.

Ravi Zacharias recently stated on his "Just Thinking" program, *"What you win them with...is what you win them too."* One **crucial mission here at MHN** is presenting the best of Bible teaching with the hopes of "winning" Christians to *deliberately and passionately* connect daily to the Bible. And for us, as Jeremiah experienced, ***discovering His Word can become our joy and heart's delight.***

Harvest 2017 is close at hand. Harvest is our two day fundraiser asking listeners to join us in the ministry of *"connecting to the Word of God"*. Tune in **October 26th and 27th for Harvest 2017**, or check out the Harvest coupon in this newsletter and..."become a vital part of our mission".

Mars Hill welcomes five new team members in 2017

Tanisha Williams joined our network in November 2016. She is married to Leon and cares for family members, Ariya and Cyrill. She previously worked, in the Syracuse market, at iHeart Media, WCNY TV, and WSYR News Channel 9. Tanisha is in charge of event planning, she is our in-house web page manager, and she is responsible for all of our social media outlets. Busy with her family and work duties... well, it doesn't get much more social than that!

John Carter serves our music department as a valuable resource for new music and budding artists that have produced fresh Christian music meeting MHN format standards. John has recently re-programmed our music computer software, but primarily keeps busy as Executive Director of New Vine Media out of Freeville, NY. We are thankful for John's expertise and for his undying commitment to Christian mission.

Peter Rounds joins the team as our IT Administrator. Peter makes his "rounds" generally for eight to ten hours during the week, but he is on call 24/7. His primary work is at Syracuse University in their IT department. He is responsible for just about everything computer-related here at Mars Hill. We're blessed to have him on-board. Peter and wife, Anne Marie live in Oswego, NY.

Don Giovanni is our newest staff member taking over our "Mornings" program Monday through Friday. He has worked and produced programs for a number of national radio outlets within the past 26 years and as Director of Communications at Davis College in Johnson City, NY. Don's warm hearted demeanor, mixed with a touch of light humor, makes our morning program a positive entryway into the day. Don and wife Colleen currently reside in Binghamton, NY.

Joel Allen is our new Director of Graphic Communications/Web Designer. He is the owner and operator of CNY Web Design and has over 12 years of experience. Joel was in charge of the launch of our new website in 2017. He is married to wife, Julie and they have four children. Joel is also a Pastor of Messianic Church in Wolcott, NY.

A Few Good Men...a Canadian and USA Formula

Hank Blok, Mars Hill Radio Canada

Even before 1969 when the first hymn, *To God be the Glory* was aired on WMHR Radio station in Syracuse, a few good men with a vision of proclaiming the gospel of our Lord Jesus Christ over the airwaves, put together their efforts, time, money – and a lot of prayer – into the task of bringing local Christian radio to Central New York. The Lord blessed their resolve and the radio station has blessed thousands ever since.

Later, in Kingston, Ontario, a few good men from Canada partnered together with a few good men in the US and expanded the influence of godly radio broadcasting into several Canada communities.

The Board of Mars Hill Radio Canada is but a small group of men seeking to serve the Lord in the promotion of the Gospel and the doctrine of our Lord and Saviour Jesus Christ through Christian Radio and the internet. Working with others, and especially thankful for their relationship with the Syracuse Board of Mars Hill Broadcasting, MHR Canada is available to answer questions from Canadian listeners. MHR Canada also assists in the processing of pledges and gifts from the Canadian Friends of the Mars Hill Network. MHR Canada issues charitable donation receipts for each tax year. Those funds allow the support of the Network and payment for air time of Canadian news and Christian content.

The Mars Hill Radio Canada board can be reached through their website at www.mhrcanada.org, by email (MHRCanada@sympatico.ca), and by phone (Hank Blok @ 613-389-8394).

The Mars Hill Network is saddened by the loss of **Dan Dunn** this past May. We rejoice that he is now with our Lord in Heaven.
